

June 10, 2023 | 10AM | Hudson River Park

The 2023 Fun Run was one of our most successful runs to date with over 250 runners supporting our mission to fight poverty and seek racial, social, and economic justice for low-income New York City residents. Organized by LSNYC's [Pro Bono Associate Advisory Board](#), the Fun Run has grown over the past several years and now attracts large teams of attorneys from NYC law firms and corporations. It is also a popular event for summer associates.
